

REMARKS

Claims 1-11 are pending in this application. It is gratefully acknowledged that the Examiner finds allowable subject matter in Claims 2, 3 and 9-11. Claims 1 and 9 have been amended. Claim 2 has been cancelled without prejudice.

In this Office Action, the Examiner rejected Claims 1 and 4-8 under 35 U.S.C. §102(b) as being anticipated by Jameson (U.S. Patent No. 3,922,997).

As indicated above, independent Claim 1 has been amended to include all of the limitations of Claim 2. No new matter has been introduced by this amendment. Accordingly, it is respectfully requested that the rejection to Claim 1 under §102(b) be withdrawn. Claims 3-11 depend from Claim 1 and should also be allowable based on that dependency.

In accordance with the finding of allowable subject matter in Claim 2, all of the pending claims, i.e., Claims 1 and 3-11, are believed to be in condition for allowance and issuance of a notice of allowance is respectfully requested. The Examiner is requested to contact the undersigned if there are any questions regarding this communication.

In the event the Commissioner of Patents and Trademarks deems additional fees to be due in connection with this application, Applicant's attorney hereby authorizes that such fee be charged to Deposit Account No. 50-4054.

Respectfully submitted,

Jongwon Kim
Reg. No. L0224
